

Your guide to commercial waste: Retail

If you're in the retail industry, the last thing you want to think about is how to dispose of your waste and recycling.

Westminster City Council, in partnership with Veolia, provides a simple and efficient system so you don't need to worry about it, saving you money and space.

We can collect many waste types, our main services for retail include:

General waste

We can collect whatever general waste your business produces and dispose of it safely, without the use of landfill or exporting it abroad.

[Enquire about collections for your business here.](#)

Bulky waste

Items that are too big for your standard rubbish bag or bins need specialist handling and are classed as bulky waste. [To request a quote, fill out this form.](#)

Plastic waste

We collect plastic waste as part of our mixed recycling service. We ensure the hard work you put into separating your plastic isn't going to waste. Why not see how we can help. [Contact us now.](#)

Mixed recycling

Mixed recycling offers flexibility for businesses looking to recycle a range of different materials without segregating them at the source. After collection, we do all of the sorting for you. [Find out more.](#)

Paper and cardboard

All cardboard boxes are recyclable. If you don't have a recycling bin for your cardboard, flatten and bundle your cardboard boxes and attach a yellow cardboard sticker. [You can order cardboard stickers online.](#)

We **do not** send waste to landfill. Instead Westminster's waste is used to generate power and heat for London's homes.

Our full waste and recycling collection services include:

Coffee cup recycling

Plastics

Paper and cardboard

Glass

Bulky waste

Food waste

Bins or bags?

You can have your waste and recycling collected via bins or bags. If you have off-street storage, [waste and recycling bins](#) are ideal and are available in various sizes depending on how much waste you produce. [Contact us](#) for more information and to set up a collection agreement.

If you don't have space for waste and recycling bins, you can [order commercial waste bags online](#). Remember to tie up bags properly to prevent them from spilling. Dispose of liquid waste down the drain and oil waste via a licensed contractor.

Collection times

Our service collects daily. Use your street name to [find your collection time](#). Remember to only place your waste out at your street's designated collection time.
