

DEEP CLEANING SERVICE

First impressions are important.

Staining from oil, fast food and rubbish, food and drink spillages as well as discarded chewing gum and car pollution can combine to make an area look grubby.

Westminster City Council have partnered with Veolia to offer you a Deep Cleaning Service, which is both competitively priced and environmentally friendly. You will be amazed at the true colour of the pavement.

turn over for more!

Why do this?

- The environment around your business will be smarter than the competition
- Your immediate vicinity will look cleaner and feel safer
- Working with Westminster City Council is zero risk

What we offer.

- A competitively priced deep cleaning service
- A personal visit to generate a bespoke quote
- A service at a time to suit you, 24 hours a day, 7 days a week
- An environmentally friendly service using no chemicals
- A discount for regularly scheduled work

Is your bin store filthy and smelly? We can also spruce up your bin store with a proprietary deodoriser and a high-pressure wash.
